The prejudgment interest calculation is based on the requested disgorgement of \$515,782 and is calculated from July 30, 2024 through July 31, 2025, using the same rate used by the Internal Revenue Service to calculate underpayment penalties. I used July 30, 2024 as the start date for calculating prejudgment interest because it was the date of the last payment made for their benefit.

7. Attached hereto as Exhibit 5 is a true and correct copy of a prejudgment interest calculation that I prepared on June 12, 2025, to determine the amount of prejudgment interest owed by Relief Defendant Ava Adam.
